Monthly Payments: YMCA memberships run from the join date to the 15th of the month. The first month's prorated membership dues, plus applicable joining fees, and printed documentation of bank account and routing number or debit/credit card are due at the time of enrollment. Monthly payments will be drafted on the 15th of each month. **All returned payments (checks, electronic funds transfers and credit card payments) will result in a \$20 fee after the second attempt to process payment. All outstanding balances and fees must be resolved before the member can participate in any YMCA programs. The YMCA is in no way responsible for any additional fees charged by your financial institution.**

Hold Policy: Memberships may be placed on hold when requested in writing by the 25th of the month. Drafts will automatically resume on the hold end date, without notification. Full pay memberships will be extended as needed. Financial Assistance memberships are not eligible for placing hold.

Monthly Cancellation/Change Policy: YMCA memberships are continuous and automatically renewing and will remain in effect until a written cancellation form is received.
