

New Song MOPS 2011-2012 Fall Information

Our Fall semester begins September 1st, we normally meet on the 1st and 3rd Thursdays of each month at New Song Community Church from 9:15 to 11:45, we eat a family style breakfast together, as you meet other moms in your community. You will be assigned a table and a table leader for the semester. We listen to speakers, enjoy discussion and craft time. Your table leader will also be planning play dates and mom nights out. We have a number of MOPS events this semester to include Bunco Night, and Family Dinner Night Out!

Here is the following breakdown of dues and fees for the Fall semester:

The MOPS fees/dues are as follows:

\$20 registration deposit fee to save your place (already deducted from the balance).

An annual MOPS International Registration Fee of \$23.95, this fee goes directly to MOPSIInternational.

\$65 Mom's Fall semester dues

\$25 per child Fall semester dues

In addition to the semester dues, a \$40 fundraiser deposit will be collected at the first meeting. You will be given an opportunity to choose products from Scentsy. Ordering will take place at an assigned meeting.

Here is the website to get a preview of the Scentsy product

line:<https://cindiendsley.scentsy.us/Buy/Category/537>,

and <https://cindiendsley.scentsy.us/Buy/Category/369> . You can sell your Scentsy package (which you will then keep \$40 "fundraiser deposit" presented at the first meeting) to someone in your community that would like to support a MOPS mom. Our fundraisers allow us to make our MOPS program affordable to all moms in our community by allowing us to lower our dues substantially.

We are asking that these fees be paid at the first meeting of the semester.

You can pick up a registration form in the lobby at the Women's Connection table. Please mail it in with \$20 deposit to save your place to Liza Abadjian our Registration & Finance Team Leader (her address is on the form.) It is on a 1st come 1st serve basis and spaces fill up quickly.
