### *what is a marriage mentor?*

A Marriage Mentor is a relatively happy, more experienced couple purposefully investing in another couple to effectively navigate a journey that they have already taken. Our marriage mentors are not counselors or therapists, but they are experienced with a love for God and a love for couples who want to support, encourage and give wisdom in any way that they can. Each mentoring relationship takes on its own style. The amount of time couples spend together and the content they discuss is personalized to that relationship. A marriage mentoring relationship can be short term or long term.

### *who can be mentored?*

Couples who are preparing for marriage, couples who are married and want to maximize their marriage, or couples who are going through a difficult season and want to strengthen, restore and repair their marriage. Couples who want mentoring are couples who want to improve their relationship, grow in their character and desire accountability.

### *how can we get a marriage mentor?*

Please fill out the Marriage Mentoree Application form. Submit it to the church office to the attention of Paul and Shari Kiffe, our lead mentoring couple. They will review your application and setup a time to meet with you. You will then be assigned a mentoring couple who will contact you and arrange to get together. These couples are trained and prepared to mentor and support you.
