For sign up and additional information see Elsie Quinn in the overflow room after service.

The Triumphant Entry of our Christ into Jerusalem signified the finality of Jesus' Earthly Ministry. His humility is shown as the King of Kings arrives on a donkey.

The people's reaction of Hosanna, blessed is He who comes in the Name of the Lord was because they believed they would be led into military victory by Jesus.

We often offer praise because we believe we are going to be materially or physically blessed. Today I offer this. Try offering praise in the midst of your trial. Not only will you be blessed to endure, but you will be blessed with increased faith, and a testimony of faithfulness to God. Don't praise Him this week, and have your lifestyle of unfaithfulness yell crucify Him just one week later.

He is Lord whether you're in a trial, or whether you're living on top of the world.

Happy Palm Sunday!
