Please check the expiration dates on all items.

This quarter our relationship with the world is our theme. This relationship takes on different nuances, but has one main focus. God so loved the world, that He Gave us Jesus to be sacrificed for us. If we are true disciples, our relationship with the world is to be the representation of Jesus to them, so they too can receive the blessing of knowing and loving our God.

Go and make disciples by becoming God's example of what it looks like to be in right relationship to Him.

Go forth and be blessed!
