*\*Please refrain from walking during the reading of the scripture, prayer, prayer chant, offering and the invitation.*

Welcome to 2025!

This is "The Year of Abundant Fruit". John's gospel, in the 15th chapter, gives us the understanding of our responsibility to remain connected to Jesus Christ. It is in this connection that we are nurtured, strengthened, and prepared to engage our individual ministries as a collective body. As we receive from our source of spiritual supply, we are then mandated to take what we have received to this world, so that others will "taste and see that the Lord is good".

Let's make this year the best ever, as we bear abundant fruit that remains. Thank God we have made it over; now get busy making your calling and election sure by our witness, our work, and our worship!

Happy New Year!  
Be blessed,  
PAS
