As we engage our Corporate fast, it is important to understand the purpose of our effort.

Fasting is designed to strengthen the believer's faith in God and to decrease our reliance upon our flesh. Fasting encourages us to trust God more than physical resources. Fasting positions us to bring ourselves into submission to the will of God and thereby elevating our relationship with God. We can only do that by recognizing that we do it in the strength of God. When we are weak, God is strong.

My prayer is that we all remain strong in Him over the next few weeks. We shall be made the better because of it. Paul reminds us in Philippians 4:13: "We can do all things through Christ, who gives us strength!"

Be blessed,

PAS
