FROM THE PASTOR'S

Women have been instrumental in the liberation of our people. Women have been called the backbone of the civil rights movement. Women served behind the scenes because of their love and their tenacity to see change come. Women were never denigrated by Jesus, but Jesus elevated women in the midst of a patriarchal society. And today women are accomplished scholars, writers, doctors, lawyers, inventors, Pastors, preachers, entrepreneurs and making great contributions to society and the world. We salute all women in this Women's History Month!

I'm praying for you.

Be blessed,

PAS
