The Awesomeness of God should overwhelm us each and every day. When we truly learn that God is beyond humanity's ability to completely understand, we will recognize that believing in Him while obeying His will, is the key to the Kingdom life. We live in a world that refuses to acknowledge the awesomeness of God. We as His Church must live in contradiction to the world and allow God's supernatural power to become a reality in our lives in this season. He really can do exceedingly, abundantly above ALL you can ask or think. Trust God.

See you next week beloved.

I'm praying for you,

Be blessed,
PAS
