

Early Childhood Ministry

Mission:
To partner with
parents to build a
strong spiritual
foundation in young
children.

The Tyke Zone Early Childhood Ministry provides age appropriate Bible-learning experiences for children ages 0 through preschool. This is the age of building foundations for all learning. Tyke Zone seeks to assist parents and grandparents in developing a biblical foundation for their youngest treasures. Excellent teachers and volunteers are on-hand to keep your children safe and learning in an environment that is fun and caring.
