

SESSION 2

Review Points Session 1

- 1 Jesus Christ is the final and complete revelation of God to us beyond that provided us through the Prophets. His countenance reflects into the soul the fullness of the Glory of God.
- 2 Jesus is the Agent of creation and the Heir of all things. We are literally gifted to God the Son by God the Father in the security of New Covenant.
- 3 Jesus as our Great High Priest atones for our sin before God Who is holy and fulfills and sets aside the Old Covenant of the Law. He ever lives to intercede for us before the Father. If the resonating reality of revelation/repentance/restoration has occurred within our hearts, we wear Jesus's Robe of righteousness and the Garments of Salvation.
