

SESSION 2

EPHESIANS 1. 5-10

V 5 In considering how God builds the Church, what aspect of His character is foundational?

What is the next step in the Church's construction?

Heb 2.10-13

Rom 8.29-30

How do we know God is love?

What is the relationship between the love of God and the will of God?

V 6 What is the manner by which the Church is created? Jn 1.14

What is the truth and what is the relationship between grace and truth?

If there is to be a Church in which a body of believers reflect the character of God, manifesting His manifold wisdom, there must be grace that enables this to happen. The Cross must be central because only here do grace and truth meet.

How is God's glorious grace bestowed upon the Church?

V 7-8 What is the core of the Gospel?

What is the titanic truth regarding the nature of the Blood of Christ?

V 9-10 In these verses Paul speaks of a revelation. What specifically is revealed ?

How is the mystery revealed?

"Christ gives meaning to the cosmos when it is perceived that He is not only the Source and Sustainer of creation but the Goal toward which creation is moving."
