SPRING SCHEDULE - MARCH thru MAY 2015

From this point forward, we will no longer be using the space across the street above the Roxbury Market.
 Instead, we will make use of trifold boards to display visual aids, and there will be a portable white board for teachers to use.
All of the supplies you will need for class will be in a tall black rolling supply cart with drawers.

"SPECIAL DAY" SUNDAY SCHOOL will consist of either writing letters to Elianny or making placemats for the Kairos Prison Ministry, taking time to pray for Elianny, her family, church, and community, as well as those who will receive the placemats and their families.

If you have any conflicts please switch with someone and then contact Donna to update the schedule change.
