

TEN ELEMENTS OF HER FAITH

1. Her faith is **for another** (Her tormented “*severely demon-possessed daughter*”)
2. Her faith is **active** - **She goes forth to find Jesus** – perhaps knowingly- Maybe she had heard from someone who had been in Galilee, and if that was the case she would have been willing to walk the 40+ miles to get to Him. Or as I have already suggested, maybe **her faith made her rise up and go, not knowing who or where**, just a heart knowing that she would find healing for her daughter. Perhaps like the woman with the continual flow of blood “*who touched His garment*”, she had tried every pagan god and every possible medical treatment for her daughter to no avail. Either way – **Her faith made her go forth.**
3. **Faith recognizes the Faith Giver** [v.22] She sees Him and she knows who He is.
4. **Faith acknowledges His authority over Satan and his demons...**[v.22]
5. **Faith is persistent!** And it withstands the Lord’s testing of it!
6. **Faith proclaims the truth!** [v.27]
7. **Faith is humble...**She fell at His feet and “*worshiped*” (kisses his hand) even after some harsh / difficult things have been said to her.
8. **Faith acknowledges that He is Master** [v.27]
9. **Faith waits expectantly** in hope of even the “*crumbs from the Master’s table.*”
10. **Faith is not based** on your heritage, your background, your religious connections.

What a platform Jesus continues to build for His disciples! And for you and me!
