

WHAT REALLY IS THE KINGDOM OF GOD?

PSALM 27 1-9

1. Seek the the essential spiritual Essence of God Himself primarily and pre-eminently before any other action or consideration.
2. In the spiritual battles of your life, the condition of your heart will determine your capacity to receive of God's strength and provision.
3. Seeking is greater than asking because you can ask without seeking but you cannot seek without asking. Seeking is setting heart and mind to pursue, then moving out in pursuit persevering through repentance into God's presence.
4. The Kingdom of God is forged in the blood of Christ Jesus and is the place where the the Holy Sovereign Seeking God encounters the earnestly repentant justified seeking soul.
