

Beginning on Tuesday, October 25, we will set out on a new journey of discovery at our S2S breakfasts. Jim Wood and guest speakers will guide us through discussions on critical issues that every man faces in his life. Regardless of your age or marital status, these discussions will provide valuable insights into the challenges of being a Christian man in the 21st century and strategies for meeting those challenges head-on. We will use the book *Point Man* by Steve Farrar as a resource for our discussions.

Publisher's Note: In *Point Man*, Steve Farrar provides a trustworthy roadmap through parenthood, the seasons of marriage, personal temptation and forging a life of faith in the midst of a corrupt culture. Men will find practical insight on topics such as a father's influence, maintaining purity, and husband-and-wife teamwork.

If you would like a personal copy of *Point Man*, you can order one below. Please fill out this order form and give it to Mark Fulton or turn it in to the Welcome Center along with your payment.
