YOUR EXECUTOR

Your executor is the manager of your estate. Because he or she will make many decisions about the management and distribution of your estate, you should select a trusted person who understands your circumstances. An executor will usually complete eight separate steps to ensure an orderly transfer of all of your property to the right individuals.

- 1. Submit your will to the probate court
- 2. Locate your heirs
- 3. Determine your estate assets and values
- 4. Pay bills and the estate attorney
- 5. Make debt payments
- 6. Resolve any estate controversies
- 7. File your income and estate tax returns
- 8. Distribute your assets to heirs

Please name your executor and alternate executor.
