On Sunday 19th December 2010 Rev. Dr. Daniel Ahia-Armah's 7th book entitled "**Lessons of Christmas**" was launched at the Shebah Temple located in Woodbridge, Virginia in the United States.

development poses is that the actual or original meaning of Christmas may soon be lost, hence this book.

Dr. Armah firmly declares that Christmas is more than exchange of Gifts, family reunions, happy meals or Santa Claus. It is far beyond the church services and old traditions; it commemorates the period in which the savior of the world was born under unique circumstances to take away the sins of a corrupt world that hates its maker. Christmas was a unique period in history when God demonstrated his love by giving his only begotten son. The anniversary of this event should not depart from its original meaning.

This colorful book is a classic assembly of inspirational lessons from the greatest birth story of all time. In a period when there seems to be an invasion of the Christmas celebration by the world for various reasons, this book comes at no better time. The economic power of Christmas is amazing; retail sales of almost every commodity are ballooned during the period. This has become a serious attraction for the business world. Again the merry making and exchange of gifts associated with this popular and precious Christian celebration has attracted the interest of people from all walks of life. The danger this seemingly positive

As a result of the great significance of Christmas, the story of nativity is laced with deep seated and extraordinary occurrences as well as a sea of lessons for our inspiration. **Lessons of Christmas** taps in to this unending "rhema" in the Christmas story. This is a book that will greatly bless all readers, hold them spell-bound and deeply establish the rationale behind the celebration of Christmas so that its original meaning will not be lost in succeeding generations. AWESOME WISDOM SEMINAR HELD
 KLC held two powerful inspirational life seminars dubbed **Wisdom Seminars**, expertly delivered by Rev. Dr. Daniel Ahia-Armah, the senior pastor.

These seminars which took place on Saturdays 22nd and 29th of January, was organized by the church to prepare all and sundry in planning for the New Year.

Many times Christians blame their problems on the devil or all other people and things apart from themselves. The truth however is that most believers are woefully poor in planning their lives. To address these problems, the Seminar handled topics like "Biblical perspectives of Planning", "Planning your goals and achieving them." etc. The impact of this seminar was amazing. Participants were motivated to take 2011 by storm. Remember if you fail to plan, you are planning to fail.

3500 square feet building, comprises of a beautiful sanctuary, a multi-purpose hall and offices. Some special guests include Rev. Lord Cobblah, London. Speaker, Rev. Marian Jenkins, MD, Rev. Eric Darko-Nyarko, CT, Rev. and Mrs. Kwame Nti, Alexandria. Rev. Ebenezer Quaynor, Rev. Douglas Frimpong etc. It was simply put, sheer beauty to behold Shebah temple and the ceremony as a whole. We are grateful to God for this significant milestone in just over a year of our existence.
