Kingslight Chapel International Inc. (KLC) enjoyed four (4) days of Heaven on earth in our first major and annual convention dubbed SHEBA CONVENTION 2010. From Tuesday February 16th to Friday February 19th 2010, there was a great visitation of the Lord upon the church and the city of Woodbridge, Virginia.

Powerful worship and praise led by the KLC Praise team ushered the teaming, faithful and expectant worshippers into the throne room of grace. It was a breakthrough worship accompanied by the copious release of the Shekinah glory.

KLC had been in intensive 28 days of fasting and prayer prior to the convention. This spiritually charged environment paved way for the overwhelming move of the spirit of God.

The guest Speaker was the anointed servant of God, Prophet Prince Frimpong, Senior Pastor Kingdom Praise Ministries, Irvington, New Jersey.

The theme of this annual affair was "POSSESING OUR POSSESSIONS" and the Key Scripture; Obadiah 17

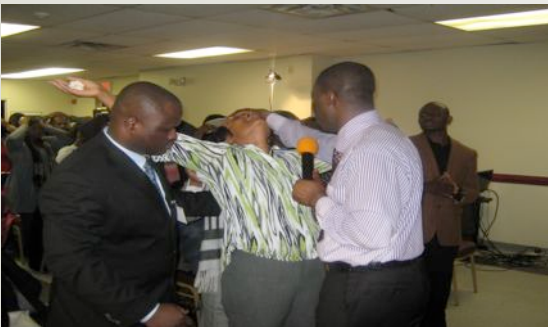

With fiery messages anchored around the theme, Prophet Frimpong "brought down

the house" each night creating joy and excitement of the Holy Ghost in the services.

The Prophetic unction was very strong over Sheba Convention leading to the unfolding of mysteries as well as the wicked plans of the enemy. Spectacular deliverance activities that demonstrated the sheer power of God over the devil was recorded each night. This was a sight to see and a moment to experience. It was amazing.

On the final night, the move of the Holy Ghost went to a whole new level leading to many great activities of the Spirit of God. Many lives were touched, individual ministries were imparted, specific directions for the future were released from heaven. In the end one can say this was a very successful convention in all respects. It was simply a blast.

When the host and the visionary for Sheba Convention Rev. Dr. Daniel Armah officially called an end to Sheba Convention 2010, it was with mixed feelings and we can only wait for Sheba convention 2011 as well as other major conventions slated for this year.

"RIDING THE WINDS OF CHANGE"

AUTHORED BY DANIEL AHIA-ARMAH

Generally, life is seasonally punctuated with opportunities for success, development and establishment. Such opportunities come in diverse forms but when properly utilized leads to a single destination of success and fulfillment.

Everyone at least in a lifetime gets a taste of an opportunity to advance into greater heights. Some of the opportunities may be golden, representing the best size and the depth of opportunity. Others may be silvery or "bronzy" etc. Irrespective of the size however it takes proper utilization of the opportunity for it to become beneficial.

It may be one good job, a big contract, an unusual exposure, a great link to somebody special, marriage to a perfect partner etc.

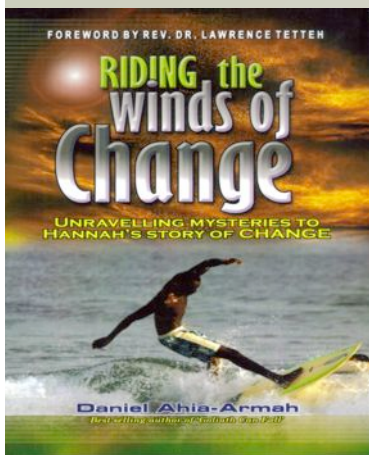

This book "RIDING THE WINDS OF CHANGE" takes readers into a journey of life's realities and step by step approach to strategic positioning in our bid to see change in our lives.

The various opportunities that come our way are the winds of change that blow across our lives. Such winds are strong enough to carry an individual from one level of accomplishment to the other. It is a status-changing wind with a story-changing power.

Adopting the simple but significant story of Hannah, this book endeavours to juice out great principles of change from the Holy Scriptures. Whilst tracing Hannah's path to change from barrenness into a fruitful mother, this book gives you invaluable lessons and methods needed to see the evolution of change.

The winds of change are initiated by God, the source of all changes. In fairness to all humanity, life's opportunities come to everyone irrespective of gender, race, colour, creed or background.

If there is any book that can practically help you bring positive change to your life it is **RIDING THE WINDS OF CHANGE**. It is also a must read book for all who are looking for the fruit of the womb. The nuggets in this book will blow you away, the revelation is awesome, the insight is deep, the information relevant and gripping. This is a page turner and a life changing presentation.

CONGRATULATIONS! !! REV. DR. DANIEL AHIA-ARMAH, D.DIV.

The council of Elders, leaders and the entire members of Kingslight Chapel International (KLC) wish to express our profound joy and CONGRATULATE you for the recognition and the award of this **Highly Esteemed and Most Honorable Degree and the Title of the Ages: "Doctor Of Divinity"**.

KLC STRENGTHENING MARRIAGES IN THE TRI-STATE

Regardless of economics, race or status, people value love and recognize that love will shape what is good and true. It should not be surprising to anybody that love permeates and lies at the heart of our meetings.

Eros is probably what most people mean when they announce with a smile, "I'm in love." This type of love covers everything from queasy stomachs and warm fuzzy feelings to strong sensual passion. In order to restore erotic love's true grandeur, we must experience the purification of eros by agape. Family Enrichment ministry of Kingslight Chapel International is known to have taken the tri-state of Washington DC, Maryland and Virginia with their

quarterly couple's "Love Nite" dubbed AGAPE EROS. The purpose is "to help strengthen and sustain marriages through the process of inspiration, encouragement, motivation, counselling, information, teaching and the provision of support to marriage couples from all walks of life" The quarterly meetings held at the Best Western Hotel, Potomac Mills allow erotic love to be informed and transformed by divine love. Don't miss out if you are married.

SCRIPTURE FOR THE EDITION

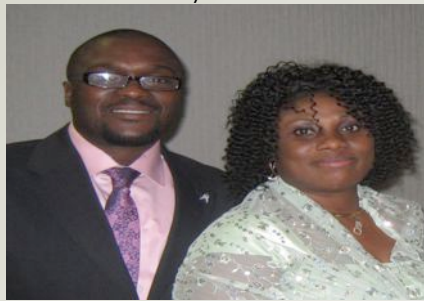

ISAIAH 62:6-9

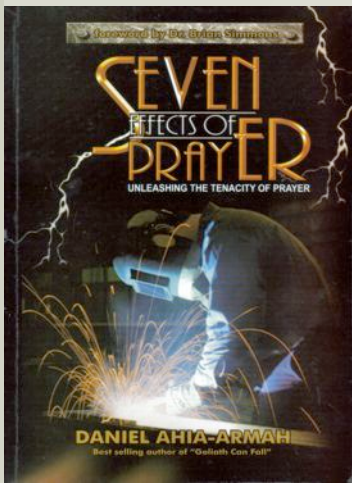

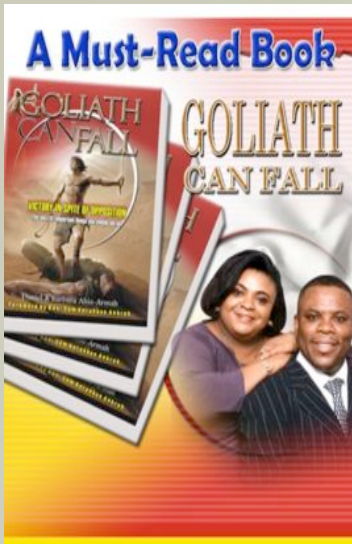

"I have set watchmen upon thy walls, O Jerusalem, which shall never hold their peace day nor night: ye that make mention of the LORD, keep not silence, And give him no rest, till he establish, and till he make Jerusalem a praise in the earth.

The LORD hath sworn by His right hand, and by the arm of His strength, Surely I will no more give thy corn to be meat for thine enemies; and the sons of the stranger shall not drink thy wine, for the which thou has laboured: But they that have gathered it shall eat it, and praise the LORD; and they that have brought it together shall drink it in the courts of my holiness."

QUOTE FOR THE EDITION

"Change is the end result of all true learning. Change involves three (3) things. First, dissatisfaction with self - a felt void or need. Second, a decision to change to fill the void or need and third, a conscious dedication to the process of growth and change-the willful act of making the change, doing something"-Leo Buscaglia
