

## Join the Fun!

Planning for our Capital Campaign, with the theme, “Sailing into a Second Century,” is well underway, and we’re going to have a blast! Clear your calendars for the months of May and June, because the events team is planning a series of parties, the likes of which St. Andrew’s has never seen. Becky Ruffin and Allyson Poutasse are co-chairing the events, with Kacky Bryant in charge of the kick-off event on Sunday, April 29.

We’re recruiting volunteers to help with events in a multitude of ways. There will be seven events altogether, so there are lots of opportunities. We need people to help our hosts/hostesses with food and beverages, and creative types to work on decorations. We also will need help with set-up and clean-up, so there’s really something for everyone. Sign-up sheets are posted on the campaign bulletin board at the entrance to White Hall, or you can call Becky at 440-0333 or Allyson at 489-0530.

One campaign committee that’s still looking for a chairperson and some volunteers is the “Department of Gratitude.” While the goal of the Capital Campaign is to raise funds for our various renovation projects (primarily HVAC and new windows), we realize that some people’s gifts will primarily be contributions of time and talent. Both will be critical to the success of the campaign, and we will want to acknowledge and express our appreciation for all the efforts that go into making the campaign a fruitful. The role of the Department of Gratitude is to follow up and make sure everyone is thanked—a great job for anyone whose Mama raised them up right!

We also are looking for a scrapbooker. We want to produce a record of our Capital Campaign, as a “Book of Remembrance.” We’ll include photos from campaign events, as well as a listing of everyone who has participated in the campaign. This is an ideal opportunity for the right person (you know who you are!) to pull out the fancy papers, stamps, and scissors, and get to work!

Volunteers for the Department of Gratitude or the “Book of Remembrance” can either sign up on the Office/Admin volunteer sheet on the campaign bulletin board, or call Ann Dodson at 627-1353.

The success of “Sailing into a Second Century” will be revealed not only in the funds raised, but more importantly, in the sense of community and fellowship that comes from working together to achieve our goals for the future of St. Andrew’s. We’re excited, and we hope you are too!

## Prayer for the St. Andrew’s Capital Campaign

In remembering our past, as we strive to build our future, we ask you, Almighty God, to give us direction and wisdom to accomplish the task set before us, and that we will be content with nothing less than Your perfect will, through Christ our Lord. *Amen.*

In Peace,  
Ann Dodson and Will King  
Capital Campaign Co-Chairs
