Sailing into a Second Century

It's been a month since we announced that St. Andrew's will launch a Capital Campaign to raise funds for much-needed improvements in our parish. While you have not heard much from us over the past few weeks, please know that it has been a busy time "behind the scenes" as subcommittees are established, project plans finalized, event ideas discussed and campaign materials developed.

In two months, we'll officially kick off our campaign at a congregational gathering on Sunday, April 29, with the theme, "Sailing into a Second Century." In May and June, we'll gather for a series of fun, fabulous events, with a party for every taste! By early summer, the campaign will conclude with a celebratory gathering and blessing of the pledges.

As we embark on this journey, there is a role for everyone who wishes to play a part—and we welcome your participation. Volunteer opportunities abound, from party planners and scrapbookers to entertainers and envelope stuffers! Please see the sign-up sheets on the campaign bulletin board at the entrance to White Hall and let us know your preference. You'll hear from us, we promise.

Finally, no project at St. Andrew's can be undertaken without seeking the guidance and blessings of our Lord. As we travel along this path together, please join us in reciting our campaign prayer:

Prayer for the St. Andrew's Capital Campaign

In remembering our past, as we strive to build our future, we ask you, Almighty God, to give us direction and wisdom to accomplish the task set before us, and that we will be content with nothing less than Your perfect will, through Christ our Lord. *Amen.*

In Peace,
Ann Dodson and Will King
