## MISSIONS

**Gene and Melba Morden** -- Our ministry focuses on discipling and developing churches in Maasai and Turkana Kenya, plus supporting the administration of all CMF business management for missionaries in Kenya. We strive to use all our activities as opportunities to teach Christ-like standards for life.

**You Medical** -- You Medical envisions a community where individuals facing an unplanned pregnancy and related sexual issues find guidance and hope and are transformed by the gospel of Jesus Christ through our life-affirming services.

**Tri-City Union Gospel Mission** -- TCUGM ministers to the spiritual, physical, and moral needs of transient and destitute individuals and serves the poor and needy.

**Kerry and Josie Sinclair** -- They oversee several groups in Portland OR as they mobilize Christians to share the love of Christ and make disciples among international university students and visiting scholars who will soon be influencers on every continent, including many regions that are among the most difficult to evangelize.

**Boise Bible College** -- The mission of Boise Bible College is to glorify God by equipping servant leaders who build up the church to advance the gospel worldwide.

**Eric and Mitzi Wright** -- Impact Campus Ministries is a community of students seeking to pursue, model, and teach intimacy with God at the University of Idaho and Washington State University (Pullman WA).

**Dave and Cynthia Fortescue** -- We at Restore a Nation Ministries reach out to the lost and poor in our community. We use projects to open and keep open doors of relationship, that we can be Christ in front of those we engage with.

**Jason and Kaela** -- Serving the unreached of Western Asia by evangelizing and discipling locals to do likewise.

**Russell and Emily Clum**, Church of the City -- First and foremost we want to be a community of people committed to the teachings, ethics, and practices of Jesus of Nazareth.

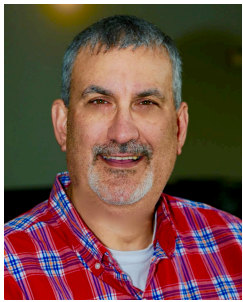

**Haitian Christian Mission**, Stephen and Betty Prophete and Edwens Prophete -- We exist to empower the Haitian church to build better communities and better relationships between God and man through Jesus Christ; and to help the Haitian people rise above dependencies and achieve personal sustainability through their own God-given resources.
