UPDATE: Jason and Kaela's trip to visit us on September 30th is being rescheduled for a later date since Kaela went into labor two months early and delivered Oliver this week. He is in the NICU for the next month or so. Please pray for him to grow healthy and strength for the family.

Jason and Kaela have been serving the unreached with the love of Jesus in Western Asia. By evangelizing and discipling locals, the result is sustainable, reproducing churches that can permeate through an entire people group.
