On November 25, 2018 Gene and Melba will be joining us. Gene will share the message that morning. Please plan to join us.

Gene and Melba Morden's ministry focuses on discipling and developing churches in Maasai and Turkana Kenya, plus supporting the administration of all CMF business management for missionaries in Kenya. (We work directly with 11 Turkana pastors who stand along side and train farm families in Farming God's Way principles plus a support staff of 12 people. We direct the drilling of boreholes and implementation of income generating water systems among the Maasai. Melba is the business administrator for all CMF missionaries in Kenya handling monthly draws and transfers of funds as well as coordinating government related permitting, taxes, retirement accounts, annual reports, and maintaining proper insurance on all houses and equipment. We strive to use all our activities as opportunities to teach Christ-like standards for life.)
