

WORKING TOGETHER MAKING PROGRESS

The Lutheran Communion in Southern Africa (LUCSA) is proud to be part of the regional effort to prevent and treat malaria in Southern Africa

**THE PERCENTAGE OF HOUSEHOLDS
 OWNING AT LEAST 1 INSECTICIDE
 TREATED NET (ITN) HAS RISEN
 FROM 3% IN 2000
 TO **50% IN 2011*****

*IN SUB-SAHARAN AFRICA

**PROPORTION OF SUSPECTED MALARIA CASES THAT
 RECEIVE RAPID DIAGNOSTIC TESTING (RDT) IN
 PUBLIC HEALTH FACILITIES HAS RISEN FROM
 2% IN 2000 TO **45% IN 2011****

GREATER ACCESS TO RDTs MEANS MORE LIVES ARE SAVED!

**PROPORTION OF WOMEN ATTENDING ANTENATAL
 CARE AND RECEIVING TOTAL INTERMITTENT
 PREVENTATIVE TREATMENT (IPT_p) IN LUCSA
 MALARIA PROGRAMME COUNTRIES IN 2011**

ANGOLA	MALAWI	MOZAMBIQUE
40%	65%	25%

ZAMBIA
52%
