

Wikipedia describes hope as “the emotional state which promotes the belief in a positive outcome”... the belief that “events will turn out for the best.” Hope makes tough times bearable and good times even better. It is a necessity in life and it is what God consistently offers us. One Bible verse even refers to God as “the God of hope.” Come and bring a friend as we kick off this new message series!

## Hope in God’s Timing

An eternal perspective...

### #1 Keeps us from shortsighted overreactions.

- ☼ Hope acknowledges the frustration, but emphasizes the big picture.
- ☼ The Key to Eternal Perspective is engaging with God.

### #2 Gives us a secret reason to smile!

- ☼ This life includes smiles, eternity is all smiles.
