

Weddings at The Vineyard Church

Basic Requirements

- **Regular Attendance for at least 4 months (3 out of 4 Weekend Celebrations per month)**
We believe that marriage is an extremely important step that should not be taken without great examination and preparation. Because the Bible speaks so strongly against divorce, the act of joining two persons together for a lifetime places a tremendous responsibility on the Officiating Pastor and on the church itself. Therefore, it is critical that you are a part of this ministry.
- **Personal Relationship with Jesus Christ**
A Christian is one who has accepted Jesus' death on the cross as the atonement for their sins, and also has Him as Lord of their life. Those wishing to be married at The Vineyard Church must be professing Christians and desire a Christ-centered relationship.
- **Premarital Counseling**
Premarital counseling will focus on building a marriage that will be successful and fruitful according to God's plan for marriage. These sessions involve going through a workbook to discuss biblical truths for marriage in an understandable and practical style.
- **Four Months Advanced Notification**
Please begin this process at least four months prior to your proposed wedding date. This will allow you to complete the preparation materials, meet with the Wedding Coordinator and participate in the required Premarital Counseling. These counseling sessions may raise issues that will require time to process and work through to a healthy resolution.
- **Deposit**
A \$100.00 deposit is required to begin the wedding process, and to set a wedding date. The remaining balance is due 30 days prior to the wedding date.
- **Church Facility**
Due to our Weekend Celebration times, Wedding Ceremonies that take place at the church must begin no later than **12:30pm** on Saturdays.
