

Registration Packet 2014
July 7th - 11th

Dear Student Pastors and Pastors,

Thank you for choosing to check out Reach Camp! We are looking forward to a great year with you and your students. Our hearts' desire is to see adults and students radically transformed by the ministry of this camp. We believe in providing a week of camp for you and your students with minimum if any distractions where you can be soaked in the Word of God. We believe in coming together during the week of camp, as a community seeking together to know God more and to discover His plan for our lives. We believe in exposing you and your students to God's heart for the nations through a daily Missions emphasis. It's our prayer that you will leave camp transformed by the Power of The Holy Spirit and take that back to your local community. Please feel free to contact us with any questions you may have concerning Reach Camp! We look forward to hearing from you.

Best Regards,

Jake Connor, Camp Director

CAMP THEMES & MATERIALS

Our theme this year is **Unplugged**. We want to spend a week **Unplugged** from the things of the world. Away from our Television sets, our Cell phones, our Video games, etc... and at the same time get plugged into Christ and the Word of God. Our material will cover what it looks like to be **Unplugged** from the world and at the same time what it means to be plugged in to Christ! You will have 3 lessons to teach on the mornings of Tuesday, Wednesday and Thursday during your Bible group times. These lessons will be written in a way for you to craft the lessons and teach the lessons to your group as you see fit. Everyone will also be given a Quiet Time book that will have Quiet Time devotions that go along with the lessons for that day. There will be a time set aside each morning for each person to have this quiet time alone with God getting ready for the day ahead. We look forward to seeing how God uses these materials in your groups and we are praying that the seed of His Word changes hearts and lives the week of camp.

CAMP TESTIMONIALS

Below are a few testimonials from this year's students that were in attendance at Reach Camp 2012. Every year many students come home with a fire to go on to lead other students, to go on mission trips to serve in other countries, and to continue growing in their relationship with Christ.

Bailey Gregg - Student

I had a great time I really got closer to the Lord and Mark and Luminate were amazing plz have them back next year:)

Carissa Cromer - Student

So 2011 was my 4th year at camp :) I decided that after I graduate and I can't be a camper anymore I'll come back and help out until I'm a youth pastor and I can bring my group! What y'all do is AMAZING and touches soo many lives, God really works in all our lives here. I love it :)

Timothy McGrath - Student

This camp was life changing God showed me alot of stuff in the past four days.

Hugh Fufy Sparkman - Student Pastor

The only way Reach 2011 could have been better was if it was 2 weeks long! What a blessing we all received. Getting to know Sam and the band, hearing an awesome speaker- Mark Matlock, challenging rec, and watching the Holy Spirit work in the lives of our youth group from The Grove....priceless! Best group of students I have ever been around at any camp!

Sarah Castilleja - Student
