KINGDOM KIDS DAYCARE SHARING JESUS WITH WACO

An update from our director, Karrie Horn

We opened the Day Care on January 30th with four children and one teacher. We had another teacher who waited patiently for children for her class. Oh, how God has worked in the last 6 months!

As of today, August 6th, we have 27 children enrolled at Kingdom Kids. Six children have already paid their registration and curriculum fees and will start during the month of August. We only have ONE spot left in our two year old room! That will make 15 two-year-olds. We are also looking into opening a room for four

babies. We are still hiring part time teachers and have a goal of 4 full time and 3 part time teachers.

Our children know we pray for them and pray with them. When one child was out sick one day, he was informed by his friend when he came back that, "We prayed for you to get better." We had a parent attend our church who said she enjoyed it and would return.

God is moving in our center. Thank you for supporting us in this journey. Your prayers are so appreciated!

Adventure Zone Kids

Where kids find God through activities, music and adventure.

August begins a new adventure in the Adventure Zone. Over the next eight weeks our children are practicing the right moves for a successful Christian life. They are learning about discipline, self-respect, respect for others, confidence, and more by learning about Paul, Daniel, Gideon, Elisa and others.

The Adventure Zone is for children age 4 through Grade 4. They meet in the large room at the end of the Children's Hall.

Today the main point is Discipline: I will spend time every day doing the things God wants me to do: read the Bible, show kindness to others, and tell them about Jesus. The

story is about the life of Paul and the Bible verse of the day is 1 Corinthians 9:25.

August Special Activity

Saturday, August 19, is a Swim Party at the Corbitt's residence from 11 am to 1 pm. For more information, see Jennifer.

What Makes You Happy?

All of us long to be happy. We spend a lot of time and money chasing after happiness. Do we even know what it is that would make us happy? Over the next six weeks, we will discover that true happiness is simple to understand, but challenging to follow. **Join us Sunday mornings at 9:30 am in Room 102.**

Sunday Night at the Movie

Sunday, August 27 at 6:00 pm

Our movie for August is "Where Hope Grows," a Dove award-winning movie. This is a movie about finding redemption through faith, hope and love.

"Where Hope Grows" centers around a baseball player sent to an early retirement due to his panic attacks at the plate. But his life is changed when he meets Produce—a young man with Down syndrome. As he begins to experience the world through Produce's eyes, his life begins to have new meaning and purpose.

Bring your lawn chair. Enjoy an ice cream sundae for \$2. Snacks available.

Mount up with Wings

By Pastor Judi Wiegman

We all struggle with "things" in our lives that unsettle us; alarm us. We face them with or without the choice being ours. Sometimes we face them head on and the struggle is short. Sometimes it goes on and on until we think we cannot stand it another minute. We stumble on the rocks in our path, tremble and shake until we think our insides will turn outside, and weep until our eyes burn with the dread of facing yet another day.

This week has been wretched for me. Six months ago my True North left my side and "soared like an eagle" to join the "church triumphant," leaving me to seek answers for a myriad of questions and make decisions on my own.

This morning I found solace in the guest room, alone and in despair. I wanted my dry eyes to feel tears. I wanted to feel the presence of Pastor C somewhere, anywhere....Then Jesus came. He wrapped His loving arms around me and sang over me: "come walk with me through field and forest, we'll climb the hill and still hear the song---for since I found the source of music, I just can't help it, God gave a song." (Gaither song. I hadn't heard for years.)

I felt the urge to move to the patio and look up to the sky. There it was; in the same spot as before...in a sky filled with clouds; a small window. Rushing in the house, I grabbed my iPad and snapped a picture. Back inside, I reviewed the picture and tried to brush away a speck on the screen. Then, I saw it! It was not a speck, but a bird with outstretched wings soaring toward the window. My strength returned. I knew. My Jesus was there all the time....

There is no problem too big that He cannot solve it. Walk with Him today, Church. No matter the journey.

UPWARD SPORTS

PLAY WITH PURPOSE

UPWARD SOCCER

An opportunity for everyone to participate in a community outreach.

When you hear Upward Soccer, I know many people turn a deaf ear because they don't feel they have anything to offer. But that's not TRUE! We have many opportunities to volunteer during the Upward Soccer season.

1. Please Pray! Prayer is needed for guidance in finding volunteers who are dedicated and passionate about children. We need prayers for the families of the participants who may not attend a church that we can connect with them during the season. Pray for our coaches who present devotions each week and the young athletes who may be hearing the gospel for the first time in their lives.
2. Help us advertise! Take a poster to your business or a business you frequent and share our Upward Soccer league. Share our Facebook post. Talk to your friends who have children.
3. Volunteer to coach! Allow us to train you and give you all the tools you need to successfully teach soccer and share the love of Jesus to children age 4 through Grade 6.
4. Help David and Susan Lane with our snacks.
5. Come and cheer! Bring your lawn chair and get to know the families who are cheering for their athletes.

At the Welcome Center are registration forms and a sign up to volunteer to coach. Posters and prayer pins will be available next week. Please pray for direction as to what your part is in helping make Upward a success.
