Children's understanding of Death, a chart to be used as a guideline for the parents, to help you know how to discuss death with your children, and some ways to minister to grieving children. Charts are available at the Children's Check-in.

Thank You Notes

Thank you can't quite cover all that's in our hearts, for everything you have done for us since "Papa" Wayne McQuillin became sick and then left us for his "new home". You've over whelmed us with your loving acts of kindness. Whatever you did, the kind words, prayers, cards and all the rest surrounded us with your love and caring. God's love, thru you, helped us more than words can say.
With our love and appreciation,

Lois McQuillin and family

Thank you for the beautiful flowers we received while Dick was in Miller Rehabilitation. Also, all the visits and cards and most of all your prayers. They meant so much.
With our love,
Dick & Ali McHie.
