Linda Brattin on the death of her sister Marie Marilyn Stutz.

She died Tuesday, May 2 in Florida.

### Thank You Note

Thank you so much for your support of Eric Penrod and Richard Meads. Flowers really do help soften a hard time.

Just knowing that in countless ways our family and friends are with us, makes the way easier.

## NOTEWORTHY

### Thank You

I just want to thank everyone for the cards and especially for the prayers. God truly heard them and eased the pain after surgery and is helping me get my mobility back through my therapy (I can't wait to type with 2 hands!). I'm so thankful for my church family. May God richly bless you for showing His love to me. *Becky Farrar*
