Church Survey

As we move forward in shaping the mission and vision of Kankakee First Church, we highly value your experience and input. Transforming Church Insight [TCI] is an assessment tool to better understand our church's current ministries, strengths and opportunities.

Please take time **TODAY** to take this 15 minute online survey.

If you need assistance or don't have access to a computer, there will be individuals at computer stations in the North Commons to assist you.

Celebration Offerings

A celebration offering is a celebration for a birthday (s), anniversary, highlight in your family's life, –whatever you'd like to celebrate and whatever amount that you would like to give for the celebration. Your celebration offering will be announced the First Sunday of each month.

There are two ways to give us your celebration offering:
1) You can give online or 2) by dropping an envelope in the offering plate. Either way be sure to include a note explaining what you are celebrating. We want to celebrate with you!
