

# VOLUNTEERING TO WORK WITH CHILDREN & YOUTH

We appreciate all people who volunteer to work with children and youth at Kankakee First Church of the Nazarene. Because of the day and age in which we live, it is necessary to validate the background of each person interested in volunteering with minors. The church's Safe Place Handbook identifies the initial step in involvement below.

### Criteria for Consideration

No person will be considered for positions involving ministry with children or youth unless he or she has regularly attended Kankakee First Church of the Nazarene for a minimum period of six months, has read and signed "Safe Place: Policies and Procedures," and has registered as a candidate for ministry with children or youth. *(Exceptions may be made by pastoral staff approval.)*

Please complete this form and return it to children's check-in desk near the South Commons in order to initiate the validation process.

**Children's Pastor**  
**Pastor Debbie Reiniche**
