Mega Sports Camp is for kids entering 1-6th grade and features soccer, flag football, basketball and cheer-leading. Each child chooses one sport focus for the week but "test drives" other sports daily like Taekwondo, Ladderball, & Octaball. Experienced coaches ensure kids will improve skills significantly, even among varied competition levels. Rally-times gather us for attitude-lessons and huddle times encourage and hydrate the kids. \$10 helps to cover a Tshirt, with daily awards for attitude, hustle, and best player. Quality sports camps are pricy and rare. We aim to build Mega Sports Camp into a top tier but affordable annual option in North Emmet.

Kids love sports and parents are motivated to "get them outside!" MegaSports Camp mobilizes skilled Coaches – to elevate both game and attitude over Summer.

Q & A

Why is there a cost?

We want to offer a high quality camp, charged with attitude-builders. Many half-day or full sports camps cost into the hundreds, but we're just asking for \$10 per kid with all funds poured into the Camp! We're in it to give not to get. If that's not possible just say, "My kid was recruited & is on full scholarship!"

Is this just a church camp where they throw balls around?

Mega Sports Camp is just that - a sports camp first - led by energetic coaches with over 40 yrs combined experience! We are passionate for sports & passionate to prepare kids for life. We are open with the message that has changed our lives, but never with pressure tactics.

How do you separate groups?

In Mega Sports Camp kids will be in groups with kids in the same sport. Huddle Coaches, will be with them through the day.

We don't attend Church . . . Is that ok?

Of course. There is no pre-requisite for attending Mega Sports Camp. No church affiliation is needed to elevate your kids' game with a winning attitude.

My child isn't able to attend every day. Can they still come?

Yes, but please alert us at registration so coaches can plan.
