Deeper Observation/Application

Discuss these questions with your Life Group or your family.

1. What things about God are hard for you to understand? How do you feel it might effect your relationship with God if you do not ever fully understand that?
2. Do you refer to and relate to the Holy Spirit as a person or a power ("he" or "it")? Why?
3. When it comes to the Holy Spirit, do you find yourself liekly to get caught up in theological questions? Are you willing to set aside some of your efforts to know about Him in order to know Him?
4. How has it worked (or not worked) for you to "ask for the Holy Spirit?" (Luke 11:13)

Deeper Meditation/Prayer

1. Take time to repent of anything in your life that draws you away from God. Consider being baptized in water. Ask God to give you the gift of the Holy Spirit.
