STEP OUT OF DENIAL AND INTO GOD'S AMAZING GRACE

Romans 12:3 (NKJV)

“For I say, through the grace given to me, to everyone who is among you, not to think of himself more highly than he ought to think, but to think soberly, as God has dealt to each one a measure of faith.”

Notice that first hurdle is always the biggest step. And that steps name is called “denial.”

**Denial Defined:** A refusal to admit the truth of a statement, charge, imputation, A refusal to acknowledge a fault; disclaimer of connection with; disavowal; -- the contrary of confession; as, the denial of a fault charged on one.

Society has trained us that the admission of a “fault” is a sign of weakness. Yet scripture teaches the opposite, “not to think of himself (ourselves) more highly than he (we) ought to think, but to think soberly.” Society would say “don’t share that weakness,” and keep you in a constant state of turmoil rather than getting help for your problem. Why wait until an addiction or problem blows up in your face causing embarrassment, hurt and pain to yourself and those who love you? We will show you how to enter into God’s amazing grace. *God loves you and genuinely cares for you,* hopefully that thought will help you over the first step! We look forward to meeting you!
