*Thank You!!!*

We want to thank all of you from the bottom of our hearts for a terrific school year! Your kind and generous donations provided for a well-stocked school year, and the children really enjoyed your donated snacks.

We have received such wonderful love and support from so many of you this year. Your kind words of appreciation for our school and the work that our teachers do with your children mean so much to all of us. It takes a village to do what we do together and we're so glad to be partners in your children's education and growth. Thank you for entrusting us with the care of your darling angels and letting us watch them shine and grow each and every day.

Best of luck to our Preschool graduates and families who are moving on. Enjoy your summer, stay in touch and we can't wait to see our returning and new families in the fall!

With Much Love & Gratitude,

Diana Millitello, Jennifer Luedtke, Armida Marshall, Traci Olson, Sophia Ortiz & Maria Zaragoza.
