Prayer Concerns

***Continue praying for Matt Counts. He is at home now and is continuing radiation treatments.**

****Please pray for Nelda Fry as she is recovering from partial hip replacement surgery. Let's pray for her healing and for a smooth recovery.**

****Continue to remember Jim Moore in prayer. Doctors believe they've successfully removed all of his cancer. He will have to follow up for 3 weeks with medication and then he will have another scan in 6 weeks.**

****We praise God that Bill Williams' recent report shows no cancerous tumor! They are waiting now to see the oncologist to make decisions about follow-up.**

****Please continue to pray for Mike Fritz as he recovers from his recent illness. He is also going to have another ablation procedure in the next couple of weeks.**

***Please remember Bob and Debby Chrane's daughter Sarah in prayer as she has been having some health issues during her pregnancy. Pray for her health and strength.**

***There is an extended list of ongoing prayer needs posted at the kiosk. Thank you for your continued faithfulness in prayer!**
