PRAYER CONCERNS

****Please keep Duffy Stelly in prayer that the heart procedure he underwent Friday was successful in helping him feel better.**

****Jimmy Bishop will undergo a carotid procedure this week. Keep him prayer that this is successful.**

****Please keep Ann Wall in prayer as she is struggling with serious health issues. The breast cancer she has, now has metastasized to the bone marrow. Because it is the same type of cancer it will enable her to have the same treatment she had before. The brain scan and marrow test for Leukemia were both clear. She is thankful for prayers.**

****Our sympathy is extended to Bubba Clark in the loss of his aunt, Wanda Ply.**

****Please keep former member, Patti Woolard, in prayer as she is now being treated for antibiotic resistant pneumonia.**

****Wilson Pipes, brother of Jeff Pipes, has now been moved to rehab. Prayers of praise for this progress.**

****Please keep Tammy Whitman in prayer as she will have surgery on July 22nd to remove her remaining kidney. She will begin dialysis then and be placed on a transplant list.**

****Let's continue to remember in prayer all those who are in treatment, recovering from loss, illness, injury and surgery.**
