June 6th-10th 9:00-11:30AM VBS-Hometown Nazareth

"Camp of the Hills Mission Effort"

During the week of June 20-25 our youth group will be responsible for cooking and serving meals for Camp of the Hills. Not only are they responsible for cooking and serving the meals, they are asked to provide the food as well. Our congregation has the opportunity to share in this effort in a profound way by donating the food or by donating funds to cover the cost of the food. Ken has placed a sign up list in the atrium with the requested menu items along with the quantities needed for each item. We are asking every family that is able to donate at least one item to the cause. We will need to prepare food for 300 people at each meal. Thank you in advance for supporting our teens and ministering to the campers and staff at Camp of the Hills in this effort.
