

The College and Career Sunday School class meets each Sunday at 9:45 in the conference room of the Fellowship Hall at First Baptist.

We would like to invite you to visit our class and make some new friends or renew some old friendships!

This is a very busy, hectic, and scheduled time of your life, giving God His rightly priority makes life much simpler!

Our goal is to take the Word of God each week and make it as applicable as we can to your lives.
