

Senior High Mission Trip

July 22-27

An adventure is waiting for you in Appalachia!

A unique pocket of American subculture... Low income potential, lack of opportunities...
Declining industries that leave many families poor and forgotten...
There's a job waiting to be done... People are waiting to be known.

God is moving in the Appalachian mountains and is calling a generation to "GO!"

Spend six days serving the people of eastern Tennessee.

Meet people with stories to share and take a second to **listen**...

LEAD children through a summer's worth of adventure and discovery.

COACH sports while building strong relationships.

SERVE in meaningful ministry with local partners doing what we must to make them successful.

During our project, the schedule will be strenuous, often beginning early and going to bed late. Our group will be in the trenches *face to face* with the *children*, the *elderly*, the *outcast*, the *homeless*, *teenagers*, *mothers*, and *orphans*. **The people of Appalachia need Jesus and the hope His message brings.**

Cost = \$289 (scholarships available)
