We Believe...

We believe the Bible is God's Word. His message to every individual. It teaches that all of us have sinned and need God's forgiveness and the new life He gives to everyone who accepts His Son, Jesus Christ, as personal Savior.

We believe it is God's plan for every Christian to receive the baptism in the Holy Spirit. This New Testament experience is evidenced, first by speaking in tongues as the Spirit gives utterance, and, finally, by the spirit power to witness and to live the full, happy, and godly life outlined in the Bible.

We believe God cares about all our problems, including physical ones, and through Christ's sacrifice, He provides healing in answer to believing prayer.

We believe, as a climax to God's dealings with humanity, Jesus Christ is coming again for those who trust and serve Him.

Dear Friends,

On behalf of the patients, families and staff at the Monroe Carell Jr. Children's Hospital at Vanderbilt, we thank you for your generous support this holiday season. Because of your kindness, the patients and families will be able to experience the joy of receiving gifts. Without your generous donation, this would not have been possible.

We believe that family support is central to helping us provide the best care for children and offer many resources for families. Children heal faster with their loved ones by their sides, and staying at a facility that doesn't feel like a hospital helps families focus on rest and recuperation. Your thoughtfulness and your gift this Holiday season, contributed to the healing environment. Because of your generosity, we were able to provide a sense of normalization for children and their families. Your gifts brought smiles, comfort and peace to children and their families during a very difficult time in their lives.

Thank you for being a part of the great work at Children's Hospital. We hope you will continue to volunteer with us through your generosity. Donations year around make a difference!

Gratefully,

Stephanie VanDyke
