We Believe...

We believe the Bible is God's Word. His message to every individual. It teaches that all of us have sinned and need God's forgiveness and the new life He gives to everyone who accepts His Son, Jesus Christ, as personal Savior.

We believe it is God's plan for every Christian to receive the baptism in the Holy Spirit. This New Testament experience is evidenced, first by speaking in tongues as the Spirit gives utterance, and, finally, by the spirit power to witness and to live the full, happy, and godly life outlined in the Bible.

We believe God cares about all our problems, including physical ones, and through Christ's sacrifice, He provides healing in answer to believing prayer.

We believe, as a climax to God's dealings with humanity, Jesus Christ is coming again for those who trust and serve Him.

Thanks for being in our services today at First Assembly. My prayer is that you have a life changing encounter with our Savior today, and feel His awesome presence.
