Spring 2012 Semester

Dear CBC Family,

I would like to invite you to join us for one of our Spring 2012 Small Groups. If you have never been part of one of our Small Groups, I want to encourage you to prayerfully take a step of faith and allow God to lead you to a group where you can learn about God and His Word and live out your faith with other believers. Small Groups are a great place to encounter and experience God! Small Groups are groups of approximately 12-15 people that meet together to learn about the Bible, grow in their faith and get to know other people seeking to live out their faith and trust in God!

Here are five great reasons to join a Small Group:

- Weekly established time for Bible Study in order to grow in one's faith...
- Prayer with and from others helps you get through the tough times...
- Discover you are not alone in your struggles to live out your faith...
- Find friendship and encouragement as you meet new people...
- Model for your children the importance of making time for Bible Study and Christian friends.

Our Spring Small Groups begin the week of February 5 and last through April. So, it's just enough time to learn something new and make some new friends without feeling like you are signing your life away. There are so many different groups to choose from. I am sure that there is one that is right for you.

I am praying God will lead you to take that step and get plugged in!
