Standards—Life Pacific College has chosen to set itself apart for the purpose of training and equipping Christian servant leaders. It is crucial, therefore, that student attitudes and behaviors reflect the character of Jesus Christ at all times. Students, by their voluntary membership in this Christian community, assume responsibility to (1) abide by the regulations of the college, (2) use personal discretion involving any activities which may be morally or spiritually destructive or reflect poorly on the campus community. In particular, LIFE expects students to refrain from being under the influence of intoxicants, using or possessing illegal drugs, and inappropriate sexual behavior, including any conduct of sexual harassment. All students represent Christ and LIFE wherever they are, and are expected to exhibit a distinctive Christian lifestyle in all their activities, both on and off campus.

Agreement—I have read the above standards of the academic community of Life Pacific College, and I will accept them and observe the specific standards of conduct stated while I am a part of the Life Pacific College community.
