**PARENTS,**

I truly believe with all my heart that God is wanting to use your child for His glory!

*James 4:14 reminds us of how quickly life passes.*

Each of us has a limited number of days on this earth. The reality is - only what is done for Christ will out-live that number. It's no secret that - sport's records are constantly broken, names are forgotten, but what is invested in souls will last forever. I can't encourage you enough to invest into eternity - make Jesus a priority in your life - so that your children will.

As a parent, my kids are my most precious gifts aside from Jesus. I realize that one day I will stand before God and give an account for how I raised them and what I taught them was most important in this life. Although, yes, I want my children to get "good grades", excel in life, participate in extracurricular activities and do well socially - more than all of that - I want my kids to LIVE for Jesus. Every night, when I pray - I don't pray that my kids one day are wealthy, that they are the most popular or well-liked — I pray that my kids will LOVE Jesus - that they would be LEADERS and that they would use their time on this earth wisely - that they would understand that they are CHOSEN and their time and how they use it is of the utmost importance. Time is so precious because it is always fleeting. Once spent it can't be recovered.

Even now, as I am typing this newsletter - I am praying and believing that your child would LIVE, LOVE & LEAD for Jesus. I pray that they would use their precious time wisely. That they

would understand their purpose. That they would know that they have been CHOSEN for this very moment in time. "This is their time" - their moment in history to make an impact that will out-live their life!

Being a youth pastor for a little over a decade I've noticed a few things a long the way. One of the many things I've learned is that the student who is plugged into weekly youth services and activities is encouraged in their faith - not just by the sermons or the worship but by simply "doing life together" with other Christians. My heart as youth pastor is to help keep Jesus in front of your child. To encourage a heart for Christ and heart of Christ in your child. That they would understand that their greatest purpose in this life is to use their time for HIS glory! I encourage you to make youth group a priority for your child. We meet **every Sunday night @ 5:00 p.m.** in the youth room.

Pastor Jessica L. Bryan
