SPEED THE LIGHT FUNDRAISER

NOVEMBER 3RD
5 PM - STUART CENTER

Parents,

I have really been encouraged by the attendance at youth group and the effort of the youth to make it to outside activities and events. At our youth services on Sunday nights, I can see God moving in the hearts of our young people. I am excited as I see a greater hunger for God developing in the hearts of the students. I believe the best days are in front of us. God is doing something NEW! Parents - thank you so much for getting your kids to all the youth functions. - I encourage you to keep it up!

As you look at the highlighted events above - we have a busy day planned for the youth on **Sunday, October 27th** in both the a.m. & p.m. services. I am sending home a form (it will also be on the church website) for your child to sign-up to serve or fill a role in the morning service on October 27th - which will be our youth service. I would love for every student to participate in some way (special music, offering, announcements, prayer, etc.) I will need the information (either a hard copy or an electronic submission) no later than **Wednesday, October 23rd** - as I will be making an insert for the bulletin with all the names of those participating for that Sunday Youth Service. On the evening of **Sunday, October 27th** we will be hosting a STL fundraiser through our **CHILI COOK-OFF**. We *really will need everyone of our parents and students to participate*. I am asking that the youth arrive by **4 p.m.** that evening. Parents - you can get involved by volunteering to enter chili, judge chili or assist in the process of setting-up & tearing - down for the cook-off. I am also sending home a Chili Cook-Off entry form. If interested in judging or serving

in another capacity - please just let me know! All profit goes to benefit missions!

STL Sandwich Sale

Wow! What a wonderful turn out by our youth and youth leaders to make sandwiches for STL. Because of generous giving and the effort by our youth and leaders - we were able to send a check into STL for a little over \$1,000! Thank you! I want to keep impressing on the hearts of our students and leaders that - each one of us only has a limited amount of TIME and that God has CHOSEN us for this very moment in history - to make a difference in the world for JESUS! And our youth are doing just that - making a difference for Jesus!
