Dear Parents,

Although hard to believe - Christmas is right around the corner! I have always loved this time of the year- it certainly feels extra special. The older I get the more I value time with family and the greatest gift of all - Christ Jesus! I encourage you - even in the hustle and bustle of the season to stop for a moment and take in the real reason we celebrate Christmas- God's great love for us - shown through the coming of Christ the King! Please mark your calendar with the dates and times above and please, please make plans for your child to attend our Youth Christmas Party. I love these times where we can laugh together as a group - it creates lasting memories! Also, please be

Would you please begin praying even now for us and we will believe together that God would touch hearts and lives! Always know Frank and I love you and your kids. If you need us we are available. Merry Christmas to all!
