Dear Parents,

Can you believe its 2020?! We are at the start of not only a New Year but a New Decade! God has such BIG plans for your student! I encourage you - set the example - show your children what it looks like to make God not just a priority but THE priority.

Nothing any of us ever do will matter more than what we did with Jesus.

When you and I stand before God - the concern will not be what job we had, what grades we had, how much money we made, how gifted we were, how attractive we were but the only thing that will matter will be **#1.) what I did with Jesus and #2.) what did I do to advance His kingdom.** At the start of this year set the pace in your home. Your kids will do what you do - it's not enough to tell them to "go to church or to pray or to read their bible" - show them - bring them - pray with them - read the bible with them - come to church with them. Set them up for success in their relationship with the Lord! **TRAIN UP YOUR CHILD!**
